

PRACTICAL ENGLISH – 2 ESO

PROJECT 3: English Speaking Country

Let's discover the English Speaking Countries!

You have to research about an English speaking country around the world and then, after a brief introduction, you have to present one of them to your classmates. Don't forget to tell us why you chose that one!

You will have to include the following information:

1. location and capital of the country
2. flag's description
3. number of inhabitants
4. extension
5. president or king
6. coin
7. culture, tradition, festivals
8. main important cities
9. main important buildings, monuments, universities
10. any important symbol of the country
11. food
12. music: important bands, groups
13. sports
14. mountains, animals, parks

Tips:

Include the most relevant information.

Avoid using too much text.

Make the appropriate use of pictures.
